THE LIBRARY BORROWING SYSTEM

The library provides, free of charge, access to books, newspapers, magazines, audio-visual material, and offers information retrieval and electronic resources and services. The library staff will provide assistance in using the library services.

Library Card

- You will get your first library card free of charge.
- A new card to replace a lost or damaged one is 2 €.
- To get a library card and borrowing right you must show proof of identity and submit your social security number for the library user register. The social security number is for use within the library only. The library card does not show your social security number.
- Foreigners will be registered with the date of birth.
- To get a library card, children under the age of 15 need to obtain written consent from a guardian or an adult guarantor and must show their Sickness Insurance Card (the KEELA card) or some other proof of identity.
- By signing the library card the library user agrees to abide by the regulations. The library card is personal property of the borrower, and the card holder is held responsible for any material borrowed on her/his card. The guardian or guarantor is held responsible for loans made by children under 15 years.
- Always have the library card ready when borrowing books and hand it in at the circulation desk.
- The library can also accept the use of other library cards or identity card with a bar code.

Borrowing

- Loan period for borrowed material is usually 28, 14 or 7 days.
- The borrower may have, at any given time, a maximum of 150 items on loan, of which up to 30 may be CD or LP records, 10 video tapes and 10 CD-ROMs or DVDs.
- Borrowed material must be returned promptly by the due date. The loan period expires on the due date on regular opening hours. If items are returned to the drop box, they will be registered on the next opening day. The customer is responsible for the loans which are returned to the drop box.
- Fines for overdue items and any additional charges are entered into your debt account. When the account shows that you owe the Library more than 10 € in fines or other charges your borrowing privilege will be suspended. Borrowing privilege will be given back to you when all debt is paid.
- The customer has a possibility to have his/her or guarantor's identity checked at the time of the borrowing process. If the library card is lost the card holder is held responsible for any material borrowed on his/her card until he/she has given a notice to the library of a lost card and it has been cancelled.

Satakirjastot is a combined net library for public libraries in Satakunta.

Receipt

- You will get a receipt of the loans you make.
- The return-date of the items (the due date) is printed on the receipt so you should keep it to help you remember to return the items on time.
- When returning or making reservations for items be sure to ask for a receipt if you want one.

Renewing loans

- Items can be renewed by phone (02-621 5817) or on the Internet (www.satakirjastot.fi) on condition that they are not reserved for another customer. Items can be renewed up to 8 times.
- In order to renew loans on the Internet a PIN code is needed. To get a PIN code the customer will be asked to present his/her identification card.

Reservations

- Reservations for material currently on loan can be made by paying a reservation fee. Reservation can be made at the service desk or over the Internet. Reserving over the Internet the customer needs a PIN code.
- You will be charged 50 cents for each item reserved at the Pori Public Library or 1 euro for a reservation from a public library belonging to the Satakirjastot net library. At the Children's´ department the reservation fee is 20 cents.
- Reservations are arranged into one line of reservations, so that reservations made in the various libraries all enter the same line. This why the circulation of material is speedy and democratic, and the items reach you in the farthest branch library just as fast as they would had you placed the reservation in the main library.
- Library offers free e-mail or SMS message notification of reserved items. When your reservation is ready for you to pick up, the library will send an e-mail or SMS message. To receive notices you have to give your cell phone number or your e-mail address. Please contact the Circulation desk or library personnel.

E-mail reminders before the due date

- An e-mail reminder will be sent to you 1-7 days (you can define yourself) before the item is due, notifying you that the due date is approaching. That way you can be sure to return it on time and avoid overdue fines

CHARGES AND COMPENSATIONS

The holder or guarantor of the library card is responsible for the payment of charges. If fines or charges remain unpaid, or if the amount of fines owing exceeds 10 €, borrowing privilege will be suspended. Borrowing privilege will be reinstated after all overdue material has been returned or compensated and fines and charges have been paid.

The library will send two reminders and an invoice for expired loans. After that the library will contact a collection office to have the charges and compensations paid.
