

Open Winter Holiday Activities for Primary School Children

The Youth Services Unit of the City of Pori's Education Division is organizing **free and open winter holiday activities** for primary school children at Itätuuli and Kaarisilta schools.

Dates: Monday–Wednesday, 16–18 February, 10:00–14:00

Locations: Itätuuli School and Kaarisilta School

Target group: Primary school children

Programme includes:

- Supervised activities (e.g. games, play, crafts and outdoor activities)
- Relaxed time spent together with friends
- A small snack
- Participation is flexible – children may arrive and leave according to their own schedule.
- **Upon arrival, it is required that the child knows the name and phone number of their guardian.**

Please note that a limited number of participants can be accommodated at one time. If necessary, the number of participants may be temporarily adjusted to ensure safety and the smooth running of the activities.

Information about the activity base and the facilities in use will be provided on the first day at the main entrances of the schools, with signage.

Activities are supervised by qualified school instructors, school coaches and a school youth worker. The activities support the City of Pori's work in developing safe and inclusive community spaces.
